

Road Engineering Assn NZ Chapter 118th Governing Council Meeting

SPONSORSHIP OPPORTUNITY

Road Engineering Association of Asia and Australasia (REAAA) is New Zealand's leading industry body for technical roading matters, bringing together a cross-section of clients, consultants and contractors. Our key focus is to share best practices and to provide a platform for educating, supporting and growing our next generation of roading practitioners.

The NZ Chapter is part of a wider group of chapters from across Asia and Australasia, and we will be hosting the REAAA Governing Council members for the 118th Council meeting in Christchurch from 17 – 19th October 2022. There will be 40 International delegates coming from Japan, Korea, Malaysia, The Philippines and Singapore.

The REAAA NZ Chapter would like to offer New Zealand road controlling authorities, consultants and contractors the opportunity to meet with and present to the Council delegates.

The programme for the Council meeting is as follows:

Monday 17 October

REAAA Governing Council delegates attend the Christchurch REAAA Roadshow followed by a Welcome Reception at Rydges Latimer, Christchurch

Tuesday 18 October

REAAA Governing Council delegates attend the 118th Council Meeting at Rydges Latimer, Christchurch followed by the Council Dinner at Rydges Latimer, Christchurch

Wednesday 19 October

REAAA Governing Council delegates attend a Technical Tour of sites of Christchurch followed by lunch at the Rydges Latimer, Christchurch
