

Road Engineering Assn NZ Chapter August 2018 Roadshow

CONFERENCE SUPPORT OPPORTUNITIES

The Road Engineering Association (REAAA) is New Zealand's peak industry body which brings together a cross-section of clients, consultants and contractors. We exist for the betterment of the practice of road engineering and the education, support and growth of engineering practitioners.

The REAAA annual roadshow provides the opportunity for engineering practitioners to develop their technical knowledge, keep up to date on the latest research and developments, share experiences and network with peers, along with gaining CPD hours for their IPENZ membership – 2 for 1.

With a projected attendance of over 200 attendees across the five seminars, supporters of the roadshow will have access to engineering consultants, clients and contractors all under the same roof.

There are two support levels available, plus the option of a nationwide exposure add on. Select from the packages below that best meet your needs.

Regional Level One:

Investment: \$750 plus GST

The Regional Level One package includes the opportunity to support at one venue the keynote speaker, lunch or happy hour. There are 3 Level One opportunities available at each seminar.

Level One offers company exposure through:

- promotional material in delegate packs;
- company logo on seminar programme;
- company banner at the venue;
- company logo on the REAAA welcome presentation;
- acknowledgement of support by seminar chair; and
- company representative introducing keynote speaker or seminar break.

Regional Level Two:

Investment: \$350 plus GST

Regional Level Two package includes the opportunity to support at one venue the morning or afternoon tea. There are 2 Level Two opportunities available at each seminar.

Level Two offers company exposure through:

- company logo on the REAAA welcome presentation;
- acknowledgement of support by seminar chair; and
- company logo on seminar programme.

Nationwide Exposure:

Investment: \$750 plus GST

The nationwide exposure is in addition to a regional level one or level two package and includes promotional material in all delegate packs at all seminars, your logo on the REAAA welcome presentation and your support noted on the programme.

Avoid missing out on great exposure to a broad audience!

Confirm your support today by completing the attached form.

All support opportunities are first-come first-served.
