Sustainable Transport: The Road to Hell is Paved with Good Intentions
Peak Oil

• What is Peak Oil?

• When will it happen?

• How will it influence our lives
Peak Oil (Hubbert’s) Curve

Oil Extraction

Time

Peak Oil
What are we currently doing?

- Cycling and Walking Strategies and Projects
- Recycled Pavements
- Travel Demand Management
- Public Transport
The Water Cycle
What is sustainable transport?
What options do we have?

- Biofuel
- Biodiesel
What options do we have?

- Electric Cars
- Light Rail
Examples

Melbourne

Zurich

Houston
What will these options really do?
Doom and Gloom?

- Building Communities
- Public Spaces for people not cars

Copenhagen  Bogota  Barcelona
